Mission Statement

St Joseph Roman Catholic Church and St Peter Mission

recognizes that God is with us in our diverse parish family.

We follow Jesus who said,

“As the Father has Sent me, So I send you.”

Inspired by the lives of Mary and the saints, we love one another and serve those in need. We build our community by hearing, living, and sharing the gospel message of compassion, justice and peace.

We have a Spanish language Catholic radio station on the internet! www.radiosanjoselynden.com or **Radio San Jose Lynden on Facebook**

There is an English language radio station!

Receive, Lord, in tranquility and peace, the souls of your servants who have departed out of this present life to be with you. Give them the life that knows the good things that do not pass away, through Jesus Christ our Lord.

Ban the Usage of Environmental Toxins

<http://chng.it/SpHLq9HKgK>

Environmental toxins are extremely dangerous. An example of an environmental toxin, is the Monsanto based popular product Roundup Weed Killer. Harmful Monsanto based products are banned in many places in the United States and around the world. Within my home state of Washington, Roundup is a popular choice to kill weeds in the summer months. Roundup contains Glyphosate, which is widely used for commercially produced fruit, vegetable, and oat production. Environmental toxins are also killing the bee and monarch butterfly population, and poisoning animals.
