

Mission Statement

St Joseph Roman Catholic Church and St Peter Mission

recognizes that God is with us in our diverse parish family. We follow Jesus who said, "As the Father has Sent me, So I send you." Inspired by the lives of Mary and the saints, we love one another and serve those in need. We build our community by hearing, living, and sharing the gospel message of compassion, justice and peace.

We have a Spanish language Catholic radio station on the internet!

www.radiosanjoselynden.com or

Radio San Jose Lynden on Facebook

There is an English language radio station!

Receive, Lord, in tranquility and peace, the souls of your servants who have departed out of this present life to be with you. Give them the life that knows the good things that do not pass away, through Jesus Christ our Lord.

- Frank Heller
- Louise M. Tyler
- Catalina Plata
- Ethel Gabbato
- Sherman Borderrampe
- Janice Wright

We also pray that our sick and injured that are wrapped in God's arms and tender mercies.

St Joseph was one of the hosting churches for the Family Promise week of March 7-13. Volunteers provided meals for three families in the program. Those parishioners who contributed this week were Anne Marie Peach, Pam Ames, Laura Comiskey, and Sharon Walsh. We thank you for your generosity and the love you have shown to these homeless families in need.

SERVING THE SUFFERING CHRIST

As we enter Holy Week and celebrate Palm Sunday, let's reflect on how our Lord suffered from our indifference: those who proclaimed him king of Jerusalem were the same who called to crucify him. We recognize we are all one human family. Are we contributing to the suffering of our sisters and brothers with our indifference to their realities? How does our faith inspire us to care for them and share the gifts that God has bestowed on us? Visit crsricebowl.org to learn more.

Ban the Usage of Environmental Toxins

<http://chnng.it/SpHLq9HKqK>

Environmental toxins are extremely dangerous. An example of an environmental toxin, is the Monsanto based popular product Roundup Weed Killer. Harmful Monsanto based products are banned in many places in the United States and around the world. Within my home state of Washington, Roundup is a popular choice to kill weeds in the summer months. Roundup contains Glyphosate, which is widely used for commercially produced fruit, vegetable, and oat production. Environmental toxins are also killing the bee and monarch butterfly population, and poisoning animals.

Join us for an evening of storytelling to support Interfaith Coalition

On **April 10, 7 pm**, we come together virtually to share stories from Bellingham community members, including a former Family Promise guest, a Moth Story Slam winner, and a member of the Nooksack tribe, all on the theme of **Sanctuary: Calm in Chaos**. Laughter, tears, encouragement, surprise – the stories will inspire these and more. Tell all your friends and help us end family homelessness in Whatcom County. Registration is free – go to <https://www.interfaith-coalition.org/sanctuary-calm-in-chaos>. Can't make the event but want to help now? [Donate today!](#)
